FINISHING & COATING

**Price List
2020**

Warehouse / Shipping Services

<u>pick fees</u>	1-2 SKU's - \$25 3-4 SKU's - \$50 5-6 SKU's - \$75 Over 6 SKU's - \$100
<u>FTL's</u>	no charge if shipped from the plant after finishing. If moved to the warehouse and shipped as a FTL - \$75
<u>UPS charges</u>	all UPS charges will be billed weekly
<u>unfinished stock</u>	any unfinished SE or "not" PFC-finished flooring will be charged a \$100 receiving fee. other outbound charges apply
<u>storage fees</u>	PFC finished material and flooring stored and awaiting finishing - \$.007 / SF / month
	square edge and "not" PFC finished flooring - \$.008 / SF / month
	storage fees billed monthly for larger amounts warehoused - otherwise - minimum \$50 / Quarter

Other Specifications / Requirements / Costs

<u>stacking</u>	improperly stacked inbound stock is subject to a 20% surcharge - (see separate handout with stacking requirements)
	inbound flooring must be flat stacked, face up with minimal strapping and all tongues oriented one way
<u>defecting & re end matching</u>	finishing costs include 100% inspection, defecting and re end matching for up to 5% of the raw inbound
	defecting and re-end matching over 5% will be charged @ \$.25 / SF
<u>bowed / skied flooring</u>	if excessive, flooring will not be run or "cut roll" and /or "line time" charges may apply
	raw flooring blanks must be well - milled and flat. tolerances for bowed boards - 1/4" @ the middle skied boards - 1/8" on the end
<u>square edge</u>	square edge stock can be run but we cannot be responsible for overwood and if rolls are cut, additional charges may apply (up to \$.15 / SF)
<u>shorts</u>	boards shorter than 10" cannot be finished
<u>"slick flooring"</u>	"slick" flooring with not permit adequate adhesion. examples include some hand-scraped flooring and reclaimed flooring that contains oil. PFC is not responsible for poor adhesion in these circumstances
<u>inspection</u>	we can do spot checks / inspection of raw pallets before running if desired - \$25 / pallet
<u>line time</u>	line time is billed at \$3,000 / hour
<u>purchase orders</u>	all purchase orders are accepted subject to PFC's terms, conditions, and specifications

Definitions

<u>SKU</u>	different widths, grades, and species are individual SKU's
<u>set up</u>	any change required to line set up constitutes an additional finish set up (for example - multiple stain colors)
<u>stock stains</u>	PFC maintains 10 stock stain colors (see our website).
